The Visual Dictionary for when words escape you

<http://visual.merriam-webster.com/>

You might need help finding the word for something. Try the Merriam-Webster's Visual Dictionary Online. Select from one of the 15 themes. Then, select subcategories to narrow your search and you'll see full color illustrations. Labels help you identify the parts of an object, animal or plant. Click a label for more information. Add this site to your collection of bookmarks and do some exploring!
