Monday, April 14, 2008 at 5:30 p.m.

The Board of Education of the Troy City School District met in regular session at the Troy Board of Education Office, 500 N. Market Street, Troy, Ohio 45373, at 5:30 P.M. on Monday, April 14, 2008. The President of the Board of Education, Mr. James Wilson, presided. Following the Pledge of Allegiance, Mr. Donald Pence, Treasurer, called the roll and the following members of the Board of Education were present: Mr. George Dearth, Mr. Stephen Lucas, Mrs. Joyce Reives, Mr. Doug Trostle and Mr. James Wilson. Also in attendance were Mr. Tom Dunn, Superintendent, four administrators and several visitors.

MOMENT OF SILENCE

Mary Lou Ferguson, 73, of Troy, passed away at 3:11 a.m. Saturday, April 5, 2008 at Upper Valley Medical Center. Mary Lou began working for the Troy City Schools in 1968 and retired after 17 years of driving a school bus.

PRESENTATIONS

- Jean Reed, Gifted Coordinator for the Troy City Schools, and two students who went to Washington D.C. in February as members of the Junior State of America organization provided feedback to the board about their trip and what they learned about the political system in the United States.
- Amita Snyder, Troy Junior High math and gifted teacher, and several students and parents talked to the board about their recent Destination Imagination experiences, which included placing in competitions at the state level.
- Jean Reed introduced Troy High School junior Lavanya Mookerjee as having been selected to participate in the 2008 Martin Essex School for the Gifted program to be held this summer at Ohio State University from June 22-28. Lavanya is one of seventy students from around the state to be honored with this selection.
- Jason Scott, Troy High School Social Studies Department Chair, talked to the board about two new elective classes he is proposing for next school year, "American Politics" and "20th Century U.S. Foreign Policy." Mr. Scott reported that he and fellow social studies teacher Mr. Becker are interested in teaching these two classes next year via a combination of online work and face-to-face meetings. He reported that he has found no other districts in the area offering such a program, and he asked for the board's support in pursuing these unique educational options.
- Eric Herman explained that we have recently implemented parental online access to our grade book program as an additional communication tool. He explained that passwords were mailed to all parents of students in the district within the last month and that we are working through any problems that arise during early implementation. He commented on the positive feedback we have received.
- Don Pence presented the audited financial statements report to the board. Mr. Pence noted that the district received a "clean" audit.
